

SIGNING UP FOR A DIGITAL SIGNATURE CERTIFIO FOR PROFESSIONALS

The Notarius digital signature, CertifiO for Professionals, is a digital signature certificate that confirms your identity, professional designation, Member ID and status with your designated professional association.

SIGNING UP

For smaller organizations, the entire process can be completed by the individual applicant.

For larger companies, there may be more people involved based on the security level settings of the organization. This document outlines the roles and responsibilities of all participants involved in the onboarding of a new CertifiO for Professionals applicant.

4 COMPANY IT SUPPORT INSTALLS CERTIFIO SUITE SOFTWARE FOR APPLICANT

Notarius provides a complete set of software tools, CertifiO Suite, to activate and use CertifiO for Professionals digital signatures. However, since CertifiO Suite requires administrative rights to install, the intervention of a Company IT Support resource will be required to complete this step.

15 MIN

IMPORTANT: CertifiO Suite is included for free with CertifiO for Professionals and can be installed on any corporate computer.
IMPORTANT: If CertifiO Suite is not installed, APPLICANT WILL NOT BE ABLE TO ACTIVATE THEIR CERTIFIO FOR PROFESSIONALS DIGITAL SIGNATURE.

AFTER APPROVAL, APPLICANT MUST ACTIVATE CERTIFIO FOR PROFESSIONALS DIGITAL SIGNATURE

CertifiO for Professionals digital signature will not be emailed to you, but rather activated by entering a reference code and answering secret questions that only the Applicant would know the answers to.

🕒 5 MIN

IMPORTANT: At the end of this process, the Applicant will have a fully functional CertifiO for Professionals digital signature that can be used to authenticate electronic documents.

IMPORTANT: Certain ports must be opened or a proxy must be configured to allow CertifiO Suite to reach the Notarius Certificate Authority and activate the CertifiO for Professionals digital signature.
